Apex Wins Home Depot National Distribution Deal

Apex secures preferred vendor status for fasteners across all Home Depot locations.

"This represents a significant milestone for Apex Industrial Supply," said David Kim, CEO of Apex Industrial Supply. "We continue to invest in our distribution capabilities and product portfolio to better serve our customers across the industrial supply chain."

The initiative is expected to be fully operational by None. Apex Industrial Supply serves over 500 customer locations across the United States through its network of five distribution centers.
