Fed Rate Cut Begins

Published: 2024-09-18 | Source: Federal Reserve press release

First rate cut in the easing cycle. Improves construction financing outlook.

Industry analysts estimate that demand for affected product categories increased by approximately 3% during the event period. The most affected product categories include fasteners, adhesives, tools.

The event period spans from 2024-09-18 to 2025-03-31.

Industrial supply distributors including Grainger, Fastenal, and MSC Industrial reported varying degrees of impact depending on their product mix and geographic exposure. Companies with diversified supply chains and strong inventory positions were better insulated from the disruption.
