## Hurricane Milton

Published: 2024-10-09 | Source: Weather.gov advisory + Reuters

Category 5 hurricane hitting Florida west coast. Stacked on Helene recovery.

Industry analysts estimate that demand for affected product categories increased by approximately 28% during the event period. The impact was concentrated in the South region(s).

The event period spans from 2024-10-09 to 2024-10-25.

Industrial supply distributors including Grainger, Fastenal, and MSC Industrial reported varying degrees of impact depending on their product mix and geographic exposure. Companies with diversified supply chains and strong inventory positions were better insulated from the disruption.
