Dear Valued Customer,
We are writing to inform you that effective January 15, 2026, the price of Silicon Carbide supplied by Saint-Gobain Abrasives will be increased by 3.8%.

This adjustment is driven by market conditions: mining and processing costs have increased due to energy cost escalation at processing facilities.

New Price: \$11.96 per unit
Change: +3.8%
Effective Date: January 15, 2026
