PRICE ADJUSTMENT NOTIFICATION

Date: February 18, 2026
To: Apex Industrial Supply, Inc. -- Procurement Department
Re: Polyurethane Resin -- Price Adjustment Effective May 10, 2026

Dear Valued Customer,
We are writing to inform you that effective May 10, 2026, the price of Polyurethane Resin supplied by BASF Corporation will be decreased by 2.4%.

This adjustment is driven by market conditions: petroleum-derived feedstock costs have declined due to stabilization in crude oil markets.

PRICING DETAILS

Material: Polyurethane Resin
Current Price: \$17.37 per unit
New Price: \$16.95 per unit
Change: -2.4%
Effective Date: May 10, 2026
Applies To: All open and future purchase orders with delivery date on or after May 10, 2026

Orders placed before May 10, 2026 with delivery scheduled before June 09, 2026 will be honored at the current price.

IMPACT ASSESSMENT

Based on your current purchasing volume of approximately 9,000 units per quarter, this decrease represents an estimated savings of \$9,870.00 per quarter.

We recommend adjusting your procurement forecast to take advantage of the lower pricing before the effective date.

Sincerely,

Karen Stewart
Vice President, Sales -- BASF Corporation
